EMERGENCY WATER & SEWER PAGER NUMBER

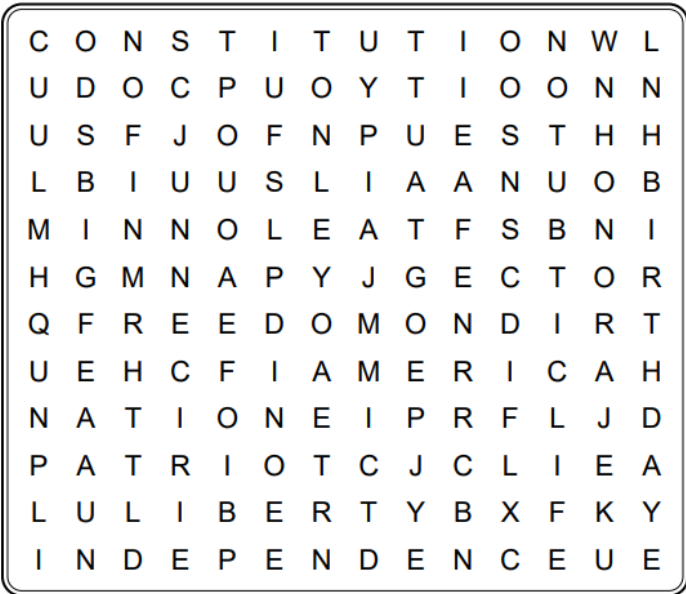

It is critical to call the Emergency Water & Sewer pager number if your sewer alarm sounds or you experience any other water or sewer emergency. This service is included in your monthly utility bill and is available 24/7. It's important to note that this is a pager system and NOT a cell phone. If you do not leave your name, number and address, Public Works will not have adequate information to be able to respond to your call.

Emergency Water & Sewer Pager: 503-301-6479

- Street sweeping takes place on the 3rd FULL week of the month on Thursday after 8am.

HUBBARD-DONALD POLICE

There is a big change in Donald to talk about. On July 1st, the Hubbard Police Department becomes the Hubbard-Donald Police Department. I view this as very positive for both our residents and businesses. You will begin to see marked police cruisers patrolling Donald for a minimum of 20 hours per week. This service will be provided to us at the same funding level that we have been allocating for Marion County. The City Council and I highly value community policing. Please take the opportunity to meet and talk to the members of the Hubbard-Donald Police force.

Mayor, Rick Olmsted

For emergencies, please dial 911.

For non-emergency dispatch, please call 503-982-2340.

FIREWORKS: TIPS FOR A HAPPY & SAFE 4TH OF JULY

- ONLY call 911 if there is a fire or someone is seriously injured. 911 calls for fireworks takes away resources that would be better used for life-saving help.
- Call Hubbard-Donald non-emergency dispatch at 503-982-2340 to report illegal fireworks. Do not call City Hall.
- Illegal Fireworks: Any firework that flies into the air, explodes or behaves in an uncontrollable and unpredictable manner.
- If you are setting off fireworks at home, keep a supply of water close by as a precaution.
- Make sure your pet has identification and stays inside as much as possible.
- Be considerate of your veteran neighbors. Fireworks can resemble the explosions and blasts that some military veterans experienced while deployed. Any veterans in crisis or in need of help, please contact the Veteran's Crisis Line. Dial 988, then press 1.
